Emission Warranty

(Applicable in NCR Delhi,
Chennai, Kolkata and Mumbai)

Subject to other terms of the warranty policy and the conditions and obligations laid down hereunder, General Motors India Pvt. Ltd., hereafter called GMI, certifies that the components liable to affect the emission of the gaseous pollutants in the vehicle in the normal use despite the use to which it may be subjected, comply with the provisions of Rule 115 (2) of the Central Motor Vehicle Rules, 1989, and further warrants that if on examination by a service center duly authorized by the GMI, the vehicle is discovered to be failing to meet the emission standard as specified in the said rule, our authorized service center shall take such corrective measures as may be necessary and shall at its sole discretion either repair or replace free of charge such components of emission control system as are specified in Annexure II hereof.

The definitions of various terms used in Emission Warranty proposal are given in Annexure –I. These definitions shall be in line with the definition of the existing product Warranty definition.

Conditions :

1. This warranty will be in addition to and will run concurrently and parallel to the product warranty and will apply only in respect to components as mentioned in Annexure-II.

2. The period of the vehicle's warranty shall commence from the date of the vehicle sale.
- 2.1 Warranty period - 1,00,000 kms or 3 years whichever occurs earlier, from date of the vehicle sale.
3. The warranty claim will be accepted only after examination carried out by Authorized Service Centers leading to a firm conclusion that none of the original settings /specifications have been tampered with and that the components (s) as mentioned in Annexure – II has/have a manufacturing defect, and /or, that the vehicle is unable to meet the In-use emission standard, as described in Sr. No. 3 above with the instructions in the Owner 's Manual (OM).
4. The methods of examination to determine the warrantable condition of the components will be at sole discretion of GMI and or its authorised service centers and results of such examination will be final and binding. If, on examination, the warrantable condition is not established, GMI will have the right to charge full, or part, of the cost of such examination and resulting repairs /rectification
5. In case of acceptance of the warranty under Emission Warranty, GMI will replace, at Authorized Service Centers, free of charge, the components which are covered as mentioned in Annexure-II, but the consumables as mentioned in OM shall be charged as per actual applicable rates.
6. In case of a vehicle in which the components covered under Emission Warranty or the associated parts, are not independently replaceable, on account of their being integral parts of a complete assembly, GMI will have the sole discretion to replace either the entire assembly or by using some of the parts of the system through suitable repairs or modifications.
7. Any consequential repairs or replacement of parts which may be found necessary to establish compliance to In-use emission standards, in addition to the replacement of the components covered under Emission Warranty, will not be made free of cost unless such parts are also found to be in a warrantable condition within the scope and limit of the product Warranty (Chevrolet Tavera-3 years / 1,00,000 kms, whichever is earlier). The consumables and labour shall be charged per actual during such repairs or replacement of parts.
8. All the parts removed for replacement under warranty will be the property of GMI.
9. GMI will not be responsible for the cost of transportation of the vehicle to the nearest Authorized Service Center or any loss due to non-availability of the vehicle during the period of a warranty claim and examination by GMI/Authorized Service Centers and repairs.
10. GMI will not be responsible for any fines, penalties that may be charged by Statutory or Regulatory authorities on account of failure of the vehicle to comply with the

In-use emission standards on the vehicle not meeting any such given legal/regulatory requirement, during inspection by such authorities.

11. Emission Warranty will be applicable irrespective of the change of ownership of the vehicle provided all the conditions as laid down in this document are met from the date of original sale of the vehicle.

This Emission Warranty will be applicable only if the customer :

- (i) Observes all the important instructions and any other precautions listed in the OM for use of the vehicle.
- (ii) Under all circumstances uses lubricants and fuel as recommended by manufacturer.
- (iii) Regularly obtains and carries out maintenance at GMI Authorised Service Centers as per the list in this booklet only, in accordance with GMI guidelines and enters the details in the Logbook/Service Book.
- (iv) Immediately approaches the nearest Authorized Service Center as per the list in this booklet upon discovery of failure to comply with the In-use emission standard inspite of having maintained and used the vehicle in accordance with the instructions in the OM and having carried out such repairs and adjustments as may be required with a view to establish such compliance.
- (v) Produces the 'Pollution Under Control (PUC)' certificate valid for the period immediately preceding the test during

which the failure is discovered, the test having been carried out either for obtaining a new certificate, or pursuant upon being directed by an officer as referred to in sub –rule (2) of Rule 116 of the Central Motor Vehicles Rules,

- (vi) Produces the Logbook provided with OM and all relevant bills for verification of details.
- (vii) Produces receipts covering maintenance of the vehicle as specified in the OM from the date of original purchase of the vehicle.

2. In case the vehicle is not serviced by GMI Authorised Service Centers as per the list in this booklet as per the service schedule described in the maintenance chart given in the OM.
3. A vehicle, which has been subjected to abnormal use, abuses, neglect and improper maintenance or has met with an accident.
4. Use of such replacement parts, which are not specified and approved by GMI.
5. If the vehicle or parts thereof, have been altered, tampered with or modified or replaced in an unauthorized manner.

6. A vehicle on which the odometer is not functioning or the odometer has been changed or the reading of which has been changed / tampered with so that the actual mileage cannot be readily determined.

7. A vehicle, which has been used, for competitions, races, rallies or for the purpose of establishing records.

8. Examination by GMI or our Authorized Service Centers as per the list in this booklet of the vehicle shows that any of the conditions stipulated in the OM with regard to use and maintenance have been violated.

9. A vehicle, which has been run on adulterated fuel or lubricant or fuels/ lubricants other than those, specified by GMI.

Scope and Limits:

1. This emission warranty is in addition to the product warranty for the vehicle as per the scope and limit described in the OM and all conditions described therein will apply, in addition to those exclusively stipulated in this warranty.
2. The emission warranty covers only compliance with the emission standard as specified in sub rule (2) of Rule 115 of CMVR. It does not cover any other performance of these parts or routine test and consequent maintenance or adjustments to establish compliance to the in-use emission standard as applicable to the state, in which the vehicle is registered and is in use.
